### SOUTHERN INDIE OKRA PICKS

**I Love You, Now Hush** by Melinda Rainey Thompson and Morgan Murphy (John E. Blair, February 2010 9780895873781, \$16.95) "The grass is ablaze, the lawnmower blade dangles from a tree, and your frustrated husband is hiding in the garage. You (a) tell him you're going shopping, (b) ask him if everything's okay, or (c) sneak back into the house and pretend you didn't see him reading the instructions."

**Saving CeeCee Honeycutt** by Beth Hoffman (Pamela Duncan Books/Viking, January 2010 9780670021390, \$25.95) "I highly recommend that you put it on your winter reading wish list. Once you find yourself among its pages you will be transported, along with CeeCee, to the warm breezes of Savannah—laughing and crying with them along the way. When the journey comes to the end, you will be sad to leave them behind and wish you could stay forever."—Brenda Seward, *Simple Pleases Books & Gifts*
