

Making a list? Checking it twice?

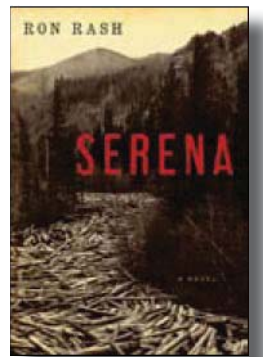

If your father-in-law likes John Grisham then give him...

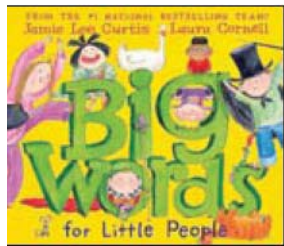

If your neighbor insists on gettin' in your business, give her...

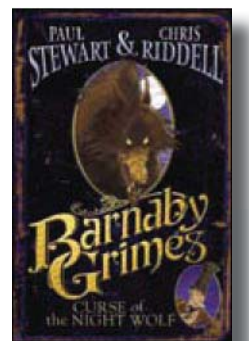

If your mom likes Lee Smith then give her...

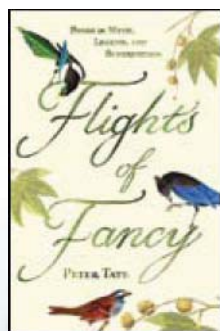

If you think your niece is the most precocious thing on earth then give her...

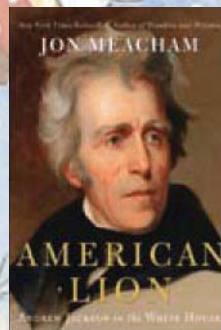

If your nephew is a fan of Lemony Snicket, then give him...

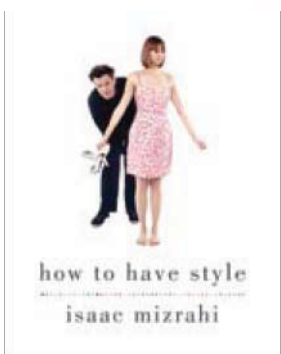

If your aunt likes watching birds then give her...

If your grandfather liked the John Adams miniseries, then give him...

If your best friend loves a pair of new shoes then give her...

If your dad won't let anyone else near the grill, then give him...
