Bookselling at Conferences and Events

This store will share the profits made from selling books
at your conference or event in the following manner.

A.) Bookselling staffed by this bookstore
(must be scheduled with the store up to four months in advance)

Gross Sales (less sales tax)
Less cost of books sold
Less shipping costs of conference books
=NET SALES

40% of net sales will go to conference organizers

B.) Bookselling staffed by conference organizers*

Gross Sales (less sales tax)
Less cost of books sold
Less shipping costs of conference books
=NET SALES

50% of net sales will go to conference organizers

*Books must be picked up by conference organizers at this store before the conference and unsold books returned to the store immediately following the conference.

*This store will provide conference organizers with an inventory of books provided for the conference. We will then issue an invoice to you for 50% of the net sales (plus 6% sales tax) based on the original inventory less books returned as unsold.

*Conference must charge state sales tax.
